

Ms. Peel

Did you know that Ms. Peel has been helping our school since 1980 to 2018? What does Ms. Peel do in our community? Well, she helps kids who need extra work in things. Why is her job important to our community? Well, without her we wouldn't have extra help and kids that need that extra help to learn faster. She loves her job because she loves working with students with other backgrounds and she loves to see her little friends in school and loves the kindness in our school. In her free time she loves to travel to the ocean or the beaches. Did you know that Ms. Peel hasn't always lived in Utah? She lived in Germany for five years and other places like California, Washington and Georgia. She has also spent time in New York and Mexico.

She wants to make the world a better place by people getting along with each other. She loves to read every day and night. Her favorite books are by Latino writers. She has pets. She has 1 dog and 2 cats, and her cats' names are Coco and Mimi. Ms. Peel does a lot even if you don't know it, so next time you see her say thank you.
