SAFETY & SECURITY AFTER SCHOOL PRACTICES

Families,

February 27, 2018

In order to keep our entire after-school program safe and our building secure, starting Monday, March 5, students in the afterschool program can be picked-up from 5:00-5:30 p.m.

You can pick your child up from the cafeteria using the door on the east side of the building (300 East parking lot). Once you enter the door by the cafeteria, there will be a table for you to sign your child out and a group leader to get your child.

Again, we appreciate your support in keeping all of the students safe. If you have any questions please contact us.

JaNeal Rodriguez, Principal

Megan Ause-Carlisle, Assistant Principal
