Sam Quantz

Victoria Palauni

Digital Citizenship - Sam Quantz

Legislature passed bill including School Community Councils (SCCs) into the process of providing safe technology and digital citizenship.

- Internet filter iBoss used to filter and categorize websites to either allow or block. All uncategorized websites will be automatically blocked.
 - Faculty/staff may request websites to be unblocked and the technology department will look into the site
- Filtering levels are set for elementary, secondary, and staff levels. iBoss may apply settings to multiple levels of filtering
- On frequently used sites (YouTube, Google Images, Weebly, etc.)
 - It is now possible to block YouTube while allowing certain videos to be shown
 - MyVRSpot allows videos to be watched
 - Google Images cannot be blocked without blocking Google
 - Weebly not blocked
- Schools can request sites to be unblocked

- Management Tools used (MDM, Chrome Management, LanSchool etc.) that add controls of who accesses systems.
 - Lab/Admin can see what is happening on student screens
 - We don't have a district license for that
- Resources the district provides for educating services and internet use/digital citizenship
 - At Registration parents are provided an Acceptable Use Policy that outlines the district's expectation for student responsibilities for use and digital citizenship
- Protocols in district schools when inappropriate content is accessed for students, employees, and parents
 - Sam supervises all staff usage of internet
 - There are very strict expectations
 - Student report goes to Principal Rodriguez
- Internet usage
 - Internet filtering is reactive not proactive
 - Nothing replaces good monitoring
 - No filter is perfect
- Funding from Utah Education Network that is funded by the Utah state legislature and used by all districts
- We use windows laptops
 - iPads are only used by teachers for
 - Searching is monitored and done in library or computer lab
- Devices brought from home
 - May be used for instructional purposes in district, but it is up to the teacher if they are used
 - Filtered once connected to our SLCS D network
- This information is available in detail in the SLCS D website
 - Please contact JaNeal Rodriguez, Adriana Pinto, or Sam Quantz with questions about anything computer or technology

Safe Walking Route - Rodriguez

- Routes have not changed since the change to Liberty from Lincoln
- Crossing guards on State Street and 900 S, but fewer than usual
- We have a teacher who helps cover at the end of the day
- No crossing guards are not at the crosswalks nearest the school - there is a shortage in the city and they are trying to hire, but have found a shortage

PTA - Nicky Reza

- Liberty is starting a PTA program partnered with Bonneville Elementary as a sister school
- In contact with district and awaiting more information about the partnership
- MOD Pizza Fundraiser this Thursday all day with
 - Nicky will send Fiona information about the fundraiser

Review School Land Trust Plan - Rodriguez

- \$44,496
- Funding pays for an additional teacher to support class size reduction
 - All funds go toward salary

Review Student Success Plan - Pinto

- Literacy - By the end of the 2021-2022, Liberty will increase the number of proficient students in ELA by 15% as measured by BOY to EOY ELA Acadience.
- Numeracy - By the end of the 2021-2022, Liberty will increase the number of proficient students in ELA by 15% as measured by BOY to EOY ELA Acadience.
- Culture/Climate - By the end of the 2021-2022, Liberty will increase the number of proficient students in ELA by 15% as measured by BOY to EOY ELA Acadience.
- Achievement Gap - By the end of the 2021-2022, Liberty will increase the number of proficient students in ELA by 15% as measured by BOY to EOY ELA Acadience.

Non-Agenda Items - Open to All Attendees

- Concern over the Corner Market store and its safety
- COVID vaccine clinic taking place at the Liberty CLC this Thursday
 - First, Second, and Booster shots available
 - Flyers and electronic alerts have been shared
